

COOKIES POLICY

Last updated: 3/11/2025

This Cookies Policy explains how **Clutch Club Operations Pty Ltd (“Clutch Club”)** (ABN 76 687 518 047) (“we”, “our”, “us”) uses cookies and similar technologies on our website at www.clutchclub.com.au.

Cookies help us improve the website, manage Memberships, and run our automated Giveaway draws fairly and reliably.

We may update this policy from time to time, so please check back to stay up to date.

1. WHAT ARE COOKIES?

Cookies are small text files stored on your device when you visit a website. They help us recognise your device, remember your preferences, and improve your experience as they allow us to recognise you, remember your details and preferences (for example, your log-in details), and provide us with information on when you’ve visited and how you’ve interacted with our website.

2. TYPES OF COOKIES WE USE

We may use the following types of cookies:

Strictly Necessary Cookies	Required for the website to work properly. For example, keeping you logged into your Membership account during a session.
Performance Cookies	Help us understand how visitors use our website, such as which pages are visited most. We use this information to improve the website and ensure our automated systems (like Giveaway entry allocations) run smoothly.
Functional Cookies	Remember your preferences (like login details or region) to make your experience easier. They may also be used to keep the website secure.
Advertising cookies	Used to show you relevant promotions and marketing. These cookies may remember that you visited our site and share that information (in a de-identified way) with third parties.
Content cookies	Used when you interact with content such as videos or sharing tools (for example, Facebook or Instagram share buttons). These may also be used for advertising or analytics by the third-party provider.

3. HOW LONG WILL COOKIES REMAIN ON MY DEVICE?

The amount of time that a cookie remains on your computer or device depends on the type of cookie – cookies are either “persistent” or “session” cookies. Persistent cookies last until they expire or are deleted, so they may remain on your device for as little as 10 minutes to several years. Session cookies last until you stop browsing, so just for the relevant session.

4. THIRD PARTY COOKIES

We may use third party services such as Google Analytics to help us analyse website traffic and improve our services. These third parties may place their own cookies on your device.

You can learn more about how Google uses data here: [How Google uses data when you use our partners’ sites or apps](#).

5. CONTROLLING COOKIES

- (a) Most browsers allow you to control cookies, including whether to accept them, how long they are stored, and how to delete them.
- (b) You can usually change these settings in your browser's "options" or "preferences" menu.
- (c) Please note: if you block or delete cookies, some features of our website (including Membership account functions and Giveaway entry tracking) may not work properly.
- (d) Some third-party advertising services also allow you to opt out of targeted advertising through their own tools or pop-ups.
